

HOMEWORK

POLICY

Rationale:

Melton South Primary School believes that homework plays an important role in the academic and personal development of students from Prep to Year 6. It provides an opportunity for parents, teachers and students to share the responsibility for encouraging the view that learning occurs beyond school and can be actively pursued at home.

Aims:

The purpose of Homework at Melton South Primary School is –

- To enable students to reinforce and develop curriculum skills and attitudes learnt at school.
- To provide parents with an involvement in their child's education.
- To foster and develop good study habits and provide an opportunity for students to be responsible for their own learning.

Implementation:

Homework should –

- Be related to work being covered in class, not to introduce new concepts.
- Cover a wide range and variety of activities which are interesting and engaging.
- Be able to be completed by the child with minimal parent assistance and within a reasonable time.
- Be able to be completed without substantial educational resources at home. Teachers may need to assist in providing resources when required.
- Have a clearly defined purpose that is understood by the child and parent.
- Be assessed with feedback and support provided by teachers.
- Not impinge on the time needed for other activities such as music, clubs or sport nor should it impinge on quality teaching time.
- The Homework Policy will be distributed to parents and/or through the school Newsletter at the commencement of the school year. It is made available throughout the year via the school's website and at the office.
- Homework expectations for the year will be outlined at the first Parent Information Session / Interview.
- Children in Grades 3 – 6 will be supplied with School Diaries to record homework requirements and for other forms of simple communication.
- ILP (Individual Learning Plan) work as per ILP.
- The homework policy will be included as part of the Prep Information Pack and new enrolment information packs
