Melton South Primary School

Dear Parent/Guardian,

Melton South Primary School is looking forward to a great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. The ongoing support of our families ensures that our school can offer the best possible education and support for your child/children and all our students. Together we can make a difference. We want to thank you for your support. This has made a huge difference to our school and the programs we can offer.

Within our school the $100 voluntary Curriculum Contribution allows us to:

- Provide students with the use of well-maintained digital devices and specialist subject equipment
- Enhance our WIFI and internet services
- Provide quality teaching and hands-on learning and digital resources
- Special curriculum experiences
- Improve grounds and playgrounds

Book Packs

In light of the current economic environment and our awareness of the financial challenges many of our families are facing, we are pleased to announce that Melton South Primary School will be providing complimentary school book packs for all students enrolled for the 2026 school year.

This initiative means that parents and caregivers will not need to purchase or pay for school packs for their children. The book packs will be conveniently delivered directly to the classrooms for the students.

Yours sincerely,

Marilyn Costigan

Extra-Curricular Items and Activities

Melton South Primary School offers a range of items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These are provided on a user-pays basis. This includes incursions, excursions, camps, Grade 6 Graduation and Grade 6 polo shirt for example. Please note there will be additional costs for these. Every endeavour will be made to allow for sufficient time for payment of these extra activities. We will send out separate information about these throughout the year.

Financial Support for Families

Melton South Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- Eligible families may also apply for assistance of $125 (CSEF: Camp, Schools and Excursion Funds) per child to assist with the costs of school camp, sporting events and school excursions.
- Payment plan for Curriculum Contribution: Pay by as many instalments, which suits your budget. This can be $5, $10, $20, every week or fortnight until paid in full. We encourage you to commence progressive payments early.

Contact the School Office for more information.

Payment methods

The Curriculum Contribution can be paid via COMPASS PAY/CASH / EFTPOS / BPAY at the general office. We understand that this could quickly add up for families with more than one child at school, therefore we strongly encourage you to start making progressive payments if desired.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.
